ALUMNI ACHIEVEMENTS

Ar. Mani Mohan Pilonia

" Ar. Mani Mohan, BNCA Alumni, recently completed her first
Restaurant Project - a funky little joint right in downtown Cleve-
land as an independent designer...**BOMBAY CHAAT!** This res-
taurant portrays a hip mix between pop-art & Indian street
style dining.

Set in the heart of downtown & very close to Playhouse Square (largest per-
forming art center in the United States outside of New York), this restaurant picks
up an essence of the landmark. She had so much fun designing this space be-
cause it was a designer's paradise - big space, corner plot, big windows, free-
dom to put any color on the walls & a huge accent wall to consolidate the
design to one focal point. Her challenge however was convincing her clients to
give in on their choice of red & green colors & opt for fluorescent green & hot
pink for the basic color theme & logo design.

Other than interior design development & project management, she also helped
her clients with designing the logo, menus & flyers for the grand opening."

Ar. Anisha Patel

From the Editor's Desk !

Dear Friends,
Guru Purnima is a day to bow down in apprecia-
tion & respect to all the teachers we have in our
life. A teacher's own life, to search for Truth encour-
ages the student to re-
spect Truth. The best edu-
cation a child can get is in
the atmosphere of Love,
Trust & Joy. We at BNCA
try our best to create this
atmosphere to shape the
lives of our students in a ho-
listic way. Wherever you
are Alumni, help others as
this is the best way to help
oneself.
