BNCA-MKSSS

Institute of Sustainability & Development Studies (ISDS) launched at BNCA

Hon. Dr. Vinay Sahasrabuddhe with Mr. Dev at BNCA

The formal inauguration of the new endeavour of MKSSS and BNCA "Institute of Sustainability and Development Studies " (ISDS) was done on the auspicious day of Khandenavami , 4th October 2022 at the hands of Hon. Dr. Vinay Sahasrabudde, President ICCR, Govt of India in a ceremony that began at 10.30 am.

The inauguration was done at BNCA Auditorium in presence of Guest of Honour, well-known international Architect Ojas Hirani , Ravindra Dev, Chairman MKSSS, Dr.Anurag Kashyap, Principal BNCA, Dr. Vidya Kulkarni, Vice Chairman , MKSSS, Prof. Asmita Joshi, Director United Nations Academic Impact UNAI at BNCA.

Hon. Dr. Vinay Sahasrabuddhe speaking at the inauguration of ISDS at BNCA

Dr.Vinay Sahasrabuddhe said that knowledge dissemination of sustainability is a difficult terrain. It is easy to preach sustainability but very difficult to follow it in actions. Generally people are not irresponsible but they don't have the means to accommodate the demands of sustainability in the day to day struggle for their life. Therefore they require to be guided. There is a necessity to come out with a sustainability code of conduct for an individual. The institute should set goal for itself to become a certifying agency for sustainability and provide something in terms of knowledge so that others can follow the principles of sustainability.

Dr Anurag Kashyap welcomed the guests and mentioned the various projects undertaken by the Institute. Asmita Joshi said that the our aim is to create a center for knowledge towards achieving SDGs through skilling, education, innovation, and research

Renowned Architect Ojas Hirani ji and Mr. Ravindra Dev, chairman MKSSS also spoke on the occasion. Piyush Girgaonkar, Head Sustainability Department compered the program while Prof. Nidhi Dixit proposed the vote of thanks.

BNCA – National Conference on Built Environment and Beyond : Theory and Practice

BNCA organized and successfully conducted a National Conference titled “Built Environment and Beyond : Theory and Practice” on 18th and 19th October 2022, that was organized by the BNCA Research Hub (BRH). Dr. Aarti Verma was the conference Convenor and Dr. Amruta Garud was the Co-Convenor.

The conference, conducted in the online mode, was announced on 15th June 2022 and the date for the final abstract submission was set at 25th July 2022. The full paper submission was on 4th September 2022. After this, the paper review process started. A double blind review process was followed and the reviews were received on 4th October 2022. Those whose papers were accepted, were supposed to submit a 10 page presentation by end of day 16th October.

The conference was inaugurated at sharp 10 am on Tuesday 18th October 2022. Dr Kashyap in his speech, welcomed all participants and declared the conference open. This was followed by keynote address by Prof. Dr. Joy Sen who spoke on Traditional Indian Knowledge systems and sustainability and also about creative economies, an important aspect for a culturally rich country like India. Day 01 had 3 sessions.

BNCA ACTIVITIES**NSS Tidy up Activity 2nd October 2022**

On the occasion of 153rd Gandhi Jayanti, The NSS team of BNCA gave the call for a "Tidy up" initiative. Students of BNCA took part in this initiative on Sunday 2nd October 2022 from 09.00 AM to 11.00 am where they diligently cleaned up their respective classrooms. Classrooms tend to get messy due to hands on activities and model making that is a part of the learning in the Architectural course.

Therefore a clean-up activity at regular intervals is a must. This activity was done to make the classrooms a cleaner and healthier space to grow and study.

Workshop for ADD students on Auditory skill: Music and Architecture

The workshop in progress

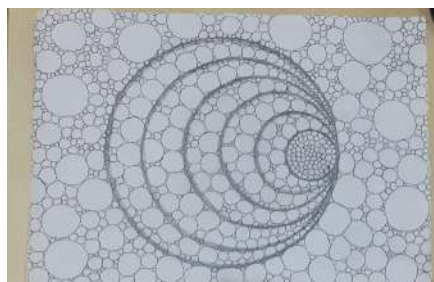

A workshop on Auditory skill on music in Architecture was conducted for the BNCA ADD students by Dr. Sanjeevani Pendse on 4th and 6th Oct 2022.

Auditory skills were explained with types of art forms, elements, Principles, Articulation, Adjectives and composition. The students were introduced to Music and Architecture and the concept of Artes Liberales.

Then definitions of common parameters in Music and Architecture were introduced with particular reference to understanding and application of the common parameter of 'Proportion'. The parallels between Music and Architecture were demonstrated with examples of designs based on the same. An audio questionnaire was conducted with questions based on region, mood and parameters.

A video on Coca cola beat box pavilion to demonstrate the application of concepts of music and Architecture was shown. The main parameters of Pitch, Rhythm, Modulation and Articulatory phonetics were elaborated upon including the Relationship of Sound with Space and Technical Aspect of Sound instrument, Products etc.

These sessions were followed by assignments which consisted of gist of all the lectures and Photographic representation of the common parameters in Excel. A group work assignment was given to find out the basic information like its qualities and characteristics of different forms of Music.

Two of the the outputs of the assignment

The students were asked to download a melody of 2min of their choice and then analyse the melody based on Pattern, Time period, Intensity, Pauses, Colour, Texture, in between spaces, Mood, Frequency and then and identify the element and principle of design to be used to

represent the analysis. The final output would be a representation of the pattern based on the melody, using the principles of design.

The students put their heart and soul into the assignment and came up with an amazing output. The workshop brought out the creative streak in the students and was very successful.

DAY CELEBRATIONS

World Architecture Day Celebration

World Architecture Day was celebrated at BNCA on 3rd October 2022, the first Monday of the month of October, with a presentation by renowned Architect Ojas Hirani, President of Center for Sustainable Research and Development CSRD. He spoke on Indian Culture and Architecture. The session started at 3.30pm in the BNCA Auditorium. Dr Kashyap welcomed Ar Ojas Hirani and mentioned that this was one of the biggest celebrations of World Architecture Day in BNCA in the last 29 years due to the presence of Ar Hirani.

Ar. Ojas Hirani with Dr. Kashyap, Prof. Asmita, Prof. Ketaki, Prof. Nidhi and Prof. Namrata

Ar Ojas Hirani spoke about his education after graduating from CEPT and his projects all over the world in his subsequent Architectural practice. He soon realised that any other architect could design the structures that he was doing in his practice that was dominated by the western influence. A visit to Somnath temple in Gujarat became the turning point of his practice when he realised that we as Indians still do not fully know our own cultural fabric and that no special effort is being taken by Architects to interpret culture for the common people. This thought led to a complete change in his architectural practice and to the subsequent formation of CSRD.

Ar. Ojas Hirani addressing the students in the BNCA auditorium

He showcased a few of his proposed and on-going projects on Indian soil. He urged students to understand India and that India is the place where they should concentrate on for their practice and career.

Treasure Hunt : World Architecture Day Celebration

On the same day, the fourth year students had organized a Treasure Hunt for third year students as a celebration of WORLD ARCHITECTURE DAY. The treasure hunt was based on contemporary building by renowned Architects.

MKSSS's Sneha Melava - BNCA Alumni Cell

MKSSS organized a joint Alumni meet of all its units- colleges, schools and hostel - Sneha Melava on 8th October 2022, Saturday. The venue was the Ichalkaranji Hall in the Karve Nagar campus, Pune.

The event was well attended with more than 1000 alumni visiting the campus for the event.

On behalf of BNCA, Prof Neha Joshi and Prof. Geeta Nagarkar coordinated for this event. They were in charge of the registration. More than 20 alumni from BNCA visited the event.

Deepotsav Celebrations

Maharshi Karve Samstha and all its constituent colleges celebrated Deepotsav on Wednesday 19th October evening at 05.30 PM. BNCA students decorated the premises with flowers lanterns and lamps ready to be lit. All faculty and students were invited for this event. Classes started late that day from 10am and continued till 4.30pm. From 4.30pm, the Deepotsav activities started with abstract lantern making where all B.Arch, M.Arch and CAID students worked on making one lantern per class.

Decorations for Deepotsav

This was followed by Postcard making activity by all students. Teachers also took part in this activity. Each one made one postcard with a sketch and a Happy Diwali message for the girls in the samstha. These were put up on the soft board placed near the circular courtyard. The BNCA Students Council mentored by Prof. Sourabh Marathe and Prof. Amruta Barve gave all of us this unique opportunity to send Diwali wishes to our own MKSSS's hostel girls. The World Post Day is celebrated in October and BNCA took this opportunity of sending heartfelt wishes through
