

# BNCA ABROAD

At BNCA, you have excellent opportunities to become more internationally oriented and globally competent during your studies. This allows you to gain knowledge and skills that will benefit you into the future.

As you gain international experience, you gain expertise that is beneficial for both your personal and professional life. You can learn foreign languages and get to know other cultures; enhance your employability with skills gained by studying in an international environment and discover alternative ways of studying, working, thinking and living in general. In addition, the friends and contacts you make abroad will contribute to your life being wonderfully rich and diverse.

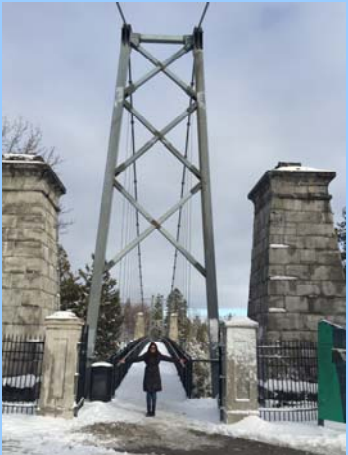

BNCA provides you with easy access to an exchange abroad. You are guided and instructed in choosing a suitable destination, and your exchange is also supported by scholarships awarded for exchanges abroad (in specific Universities)

## Ontario-India Student Exchange

### OIN:

The OIN program is open to students at BNCA. As an OIN exchange student you can take a set of courses (or do research) at an Ontario university for one term, but the credits acquired will not count towards your degree at Pune University. There are currently 9 Ontario universities participating in the OIN Program. Each university offers a broad range of courses.

<http://oin.ouinternational.ca/ontario-universities>

- \* Carleton University, Ottawa
- \* Ryerson University, Toronto . . . and many more

**City:** Carleton, Ottawa

**University Website:** <http://www1.carleton.ca/architecture/>

Carleton's Bachelor of Architectural Studies focuses on knowledge, experience, creativity and imagination. Our program encourages you to explore ideas through making; evaluate ideas within the context of the human experience; and exercise creativity through writing, model making, drawing, digital media and presentations.

### Website for Student Exchange:

<http://www1.carleton.ca/architecture/international-exchange-opportunities/>  
<http://www.carleton.ca/isso/new-students/new-exchange-students/incoming-students/>

### Fields of study available:

Bachelor of Architectural Studies (BAS) program -  
A major in Design  
A major in Urbanism  
A major in Conservation and Sustainability  
A major in Philosophy and Criticism

### Exchange Program In-Charge:

Ms. Dagmar Todd, Exchange Program Coordinator  
Email: [dtodd@ouinternational.ca](mailto:dtodd@ouinternational.ca)

### Approximate Semester Dates:

Semester 1 (Fall Semester): September - December

### Application Deadline:

Deadline for applications at BNCA – **December 23**

Deadline for applications at the OMG Office: **January 31.**

**BNCA** has an **earlier filing deadline.**

### How to Apply:

BNCA to nominate and send 4 ranked applications. Selection for this is based on very good academic performance and valuable contributions made by the students at BNCA.

The final selection of Students for the Exchange would happen by the OIN and the number of candidates selected eventually could be as MIN as one/two/three/four.

Once indicated you are invited to download and fill the Application Form, from this link - <http://oin.ouinternational.ca/apply-0>

### Credit Transfer: NIL

### Cost Estimate:

*Some of the things to consider are:*

- (1) you do not have to pay tuition in Ontario, but
- (2) you do need to purchase health insurance in Ontario (in 2016–2017: C\$51 per month).
- (3) You need to figure in your flight, rent, meals, and books, as well as telephone, local transit, and entertainment costs. It will probably cost you about C\$1000 (about Rs40,000) per month, excluding airfare. In addition, you may receive a OMG stipend of C\$2500 (for 1 term) or C\$3000 (for two terms).

**INTERESTED STUDENTS COULD CONTACT US SHOULD YOU WANT TO APPLY FOR FALL 2019**

**POLITECNICO  
DI MILANO**

**City:** Milan, Italy

**INTERESTED STUDENTS COULD CONTACT US SHOULD YOU WANT TO APPLY FOR SPRING 2019**

**City:** Seoul, Korea

**University Website:** <http://e.sookmyung.ac.kr/>

Sookmyung Women's University is Korea's first national private women's school. It was founded in 1906. The study of environmental design considers all essential factors and methodologies of different spaces to enrich our modernly diversified lives efficiently through environmental design. It also considers the universal definition of design to propose new spaces through systematic practice. Students will recognize different sensibilities and behaviors influenced by the surrounding environment from various perspectives. The Department of Environmental Design is designed organically with **specialties in urban landscape architectural design, architecture design, and interior design.**
