## Model United Nations 2018 New Silk Way

**UN Women – Protection of Women's Rights in Areas of Conflict.**

In Collaboration with UNAI Hub for Sustainability

Al-Farabi Kazakh National University( KazNU) in Almaty, Kazakhstan

The United Nations Academic Impact (UNAI) is a global initiative that aligns institutions of higher education with the United Nations in furthering the realization of the purposes and mandate of the Organization through activities and research in a shared culture of intellectual social responsibility.

BNCA is a member and a HUB of UNAI for addressing poverty through education.

Model United Nations, also known as Model UN or MUN, is an educational simulation and/or academic activity in which students can learn about diplomacy, international relations and the United Nations. MUN involves and teaches participants researching, public speaking, debating, and writing skills, in addition to critical thinking, teamwork, and leadership abilities. The students play the role of delegates from different countries and attempt to solve real world issues with the policies and perspectives of their assigned country.

We call upon students of our Maharshi Karve Stree Shikshan Samstha to participate in this first MUN endeavor of UNAI hub at BNCA. Students will be exposed to global viewpoints and will be educated to play active role in finding solutions to global problems, thus becoming a global citizen with strong commitment to peace.
