 - Carrier Guidance Programme

BNCA Training and Placement Cell

Training and Placement Cell at BNCA:

BNCA believes in the philosophy of 'Life is larger than Architecture' and thus the well-being of the student and her holistic development has been our focus since the inception of the institute. For the IX Semester to facilitate Internship's for the students BNCA started a 'Training and Placement Cell' in the month of December 2019. The cell guides the students in application process, portfolio making, etc.

Committee Members:

The Committee comprises of the Principal of the College as the President, 01 Faculty In charge, 03 Faculty Members and 02 Professionals as well. The Placement Cell works under the directives from the President. The functioning and well-being of the cell is the Faculty Heads responsibilities.

Tenure: For now, the President, Faculty In charge and the Counselor are permanent posts in the Cell. The Consultants may be changed every 03 years. There is a provision for adding more consultants later.

T and P Cell Members:

Sr. no	Position	Name	Post	Contact Details
1.	Principal	Dr. Anurag Kashyap	President	E: mail@bnca.ac.in
2.	Faculty	Prof. Madhuri Zite	Faculty In charge	E: madhuri.zite@bnca.ac.in
3.	Faculty	Prof. Shruti Joshi	International Cell Head	E: shruti.joshi@bnca.ac.in
4.	Faculty	Prof. Mahesh Bangad	Counselor	E: mahesh.bangad@bnca.ac.in
5.	Faculty	Prof. Geeta Nagarkar	Head – Alumni Cell at BNCA	E: geeta.nagarkar@bnca.ac.in
6.	Professional	Ar. Vikas Achalkar	Consultant	A & T Architects, Pune
7.	Professional	Ar. Manoj Tatooskar	Consultant	A & T Architects, Pune

Functioning:

As Architecture is a very subjective and specific field, with companies opting to hire one / two Fresh graduates as per the available vacancies at their office (timeline for which is very dynamic), we cannot conduct a Campus Placement Drive at a specific time. Instead, for over the last 10 years, we have worked on the "right person for the right job" ideology. So basically, it works in two ways, when the college knows of a certain vacancy, then we recommend the best student for the same, as per the job requirement. The other way is, we have created a database of firms, category wise, city wise and then we share the same with each of the 160 Students of the graduating batch. The students then apply to the firm of their choice, put in references of their faculty members or guides and move ahead in the process. Some of these students are opting to take a break after graduation to find their liking or many of them move ahead to do their master's as well. As an institute, we provide them with guidance and support them in these aspects as well.

**MEMORANDUM OF UNDERSTANDING (MOU)
FOR INDUSTRY-ACADEMIA PARTNERSHIP
09.10.2023**

PARTIES

1. Maharshi Karve Stree Shikshan Samstha' s **DR. B. N. COLLEGE OF ARCHITECTURE FOR WOMAN (BNCA)** (hereinafter referred to as "**The Institution**"), represented by Dr. Anurag Kashyap, Principal, located at Karvenagar Pune.
2. **ASTUTE ENGINEERING SERVICES PVT LTD** (hereinafter referred to as "**The Industry Partner**"), represented by Ar. Sonali Malvankar, Director(design) , located at Pashan Pune

BACKGROUND

This Memorandum of Understanding (MoU) establishes a partnership between The Institution and The Industry Partner to promote knowledge sharing, advocacy, research, on-field exposure, and the creation of placement and internship opportunities for students.

INTRODUCTION TO THE PARTIES

1. Dr. B. N. College of Architecture

The institute currently offers UG, PG, and Doctoral degree programs in architectural stream. The main objective of these programs is to transform a student into a competent graduate with sound knowledge of theory and practice who can handle the responsibilities of positions very well.

2. INDUSTRY PARTNER

Astute is a design engineering firm located in Pune and works PAN India. The core competence is in Institutional, Healthcare, and Industrial projects. would be diversifying our scope to planning, preparation of VDP, CDP etc.

The purpose of this MoU is to establish a framework for collaboration between the Institution and the Industry Partner in the areas of knowledge sharing, advocacy and research, on-field exposure, placements, and internship opportunities. Both Parties recognize the mutual benefits of this partnership and are committed to promoting education, research, and workforce development.

TERMS AND CONDITIONS

1. Knowledge Sharing:

- a) The Institution and The Industry Partner agree to facilitate the exchange of knowledge, expertise, and resources to enhance the educational experience of students and promote industry-related research.
- b) Regular knowledge sharing sessions, workshops, seminars, and webinars will be organized to facilitate the exchange of information, trends, and best practices.
- c) The parties commit to collaborate in developing industry-oriented education programs/ courses.

2. Advocacy and Research

- a) The parties commit to collaborative research initiatives, joint projects, and publications that contribute to the advancement of relevant industries.
- b) The Institution will provide research support and access to its academic resources to aid in research projects initiated by either of the parties.

Whereas the industry partner will provide necessary technical support, access to relevant data and sites, networking with professionals and other experts, and other necessary resources as required for the research project.

3. On-Field Exposure

- a) The Institution will encourage students to undertake visits, field trips, and practical training opportunities at The Industry Partner's facilities to provide real-world exposure to our students.
- b) The Industry Partner agrees to allocate resources and personnel to guide and mentor students during their on-field exposure.

4. Placements and Internship Opportunities

- a) The Industry Partner will actively participate in The Institution's placement and internship program by offering suitable positions and projects to students.
- b) The Institution will coordinate the placement and internship process, ensuring a seamless experience for both parties.

DURATION

This MoU will be in effect from the date of signing and will continue unless terminated.

TERMINATION

Either party may terminate this MoU with written notice or if the other party breaches any of its obligations outlined herein.

GENERAL GUIDELINES

- a) This MoU is being signed in good faith and is not to create any sort of legal binding obligations on either of the parties. Rather it is being signed to ensure effective implementation of collaborative activities.
- b) Any sort of outcome generated through this association will be collaborative in nature and will have equal visibility. Use of logos of both the parties indicating this association is an inherent part of this MoU.

CONFIDENTIALITY:

All information, data, and proprietary materials shared during the collaboration will be treated with strict confidentiality and will not be

Memorandum of Understanding

disclosed to third parties without the express written consent of the disclosing party.

AMENDMENTS

Any amendments to this MoU must be made in writing and signed by both parties.

EXECUTION

This MoU is executed in duplicate, with each party retaining one original copy.

This MoU represents a commitment to collaboration and partnership between The Institution and The Industry Partner, with the aim of fostering knowledge exchange, research, on-field exposure, and enhanced opportunities for our students.

**MEMORANDUM OF UNDERSTANDING (MOU)
FOR INDUSTRY-ACADEMIA PARTNERSHIP
09.10.2023**

PARTIES

1. Maharshi Karve Stree Shikshan Samstha' s **DR. B. N. COLLEGE OF ARCHITECTURE FOR WOMAN (BNCA)** (hereinafter referred to as "**The Institution**"), represented by Dr. Anurag Kashyap, Principal, located at Karvenagar Pune.
2. **NAND ARCH CREATIONS** (hereinafter referred to as "**The Industry Partner**"), represented by Ar. Sagar Zite & Ar. Madhuri Zite, located at "Pasaydan", Plot no. 13, Balaji Co-Op Housing Society, Bavdhan Pune 411021.

BACKGROUND

This Memorandum of Understanding (MoU) establishes a partnership between The Institution and The Industry Partner to promote knowledge sharing, advocacy, research, on-field exposure, and the creation of placement and internship opportunities for students.

INTRODUCTION TO THE PARTIES

1. Dr. B. N. College of Architecture

Dr. B. N. College of architecture was established in 1994 with a view of imparting architectural education. The institute currently offers UG, PG, and Doctoral degree programs in architectural stream. The main objective of these programs is to transform a student into a competent graduate with sound knowledge of theory and practice who can handle the responsibilities of positions very well.

2. INDUSTRY PARTNER

NAND ARCH CREATIONS firm is established in 1996 and works passionately with all dignity in profession to give maximum output and understanding the need and emotions of the users including the environmental concerns. The firm has expertise in architectural designing, interior designing, landscaping, valuation work and land development consultancy.

Firm gives consultation from selection of land considering its potential with the understanding of bylaws till the final output through design and liasioning work.

SPECIALIZATION: Major work is in Township and specialized housing, fine knowledge of housing bylaws and land development regulations. Firm has Strong practicing background with experience in sustainable housing, Industrial Layout and Design expertise. We have been working for various Corporate and residential interior design projects.

The philosophy behind designing each built form is considering its beauty, aesthetics, feasibility and green design strategy.

The purpose of this MoU is to establish a framework for collaboration between the Institution and the Industry Partner in the areas of knowledge sharing, advocacy and research, on-field exposure, placements, and internship opportunities. Both

Parties recognize the mutual benefits of this partnership and are committed to promoting education, research, and workforce development.

TERMS AND CONDITIONS

1. Knowledge Sharing:

- a) The Institution and The Industry Partner agree to facilitate the exchange of knowledge, expertise, and resources to enhance the educational experience of students and promote industry-related research.
- b) Regular knowledge sharing sessions, workshops, seminars, and webinars will be organized to facilitate the exchange of information, trends, and best practices.
- c) The parties commit to collaborate in developing industry-oriented education programs/ courses.

2. Advocacy and Research

- a) The parties commit to collaborative research initiatives, joint projects, and publications that contribute to the advancement of relevant industries.
- b) The Institution will provide research support and access to its academic resources to aid in research projects initiated by either of the parties. Whereas the industry partner will provide necessary technical support, access to relevant data and sites, networking with professionals and other experts, and other necessary resources as required for the research project.

3. On-Field Exposure

- a) The Institution will encourage students to undertake visits, field trips, and practical training opportunities at The Industry Partner's facilities to provide real-world exposure to our students.
- b) The Industry Partner agrees to allocate resources and personnel to guide and mentor students during their on-field exposure.

4. Placements and Internship Opportunities

- a) The Industry Partner will actively participate in The Institution's placement and internship program by offering suitable positions and projects to students.
- b) The Institution will coordinate the placement and internship process, ensuring a seamless experience for both parties.

DURATION

This MoU will be in effect from the date of signing and will continue unless terminated.

TERMINATION

Either party may terminate this MoU with written notice or if the other party breaches any of its obligations outlined herein.

GENERAL GUIDELINES

- a) This MoU is being signed in good faith and is not to create any sort of legal binding obligations on either of the parties. Rather it is being signed to ensure effective implementation of collaborative activities.
- b) Any sort of outcome generated through this association will be collaborative in nature and will have equal visibility. Use of logos of both the parties indicating this association is an inherent part of this MoU.

CONFIDENTIALITY:

All information, data, and proprietary materials shared during the collaboration will be treated with strict confidentiality and will not be disclosed to third parties without the express written consent of the disclosing party.

BNCA | Events and Activity Reports

Event / Activity title: SMART ARCHITECTURE TESTS FOR INTERNSHIP & JOBS

Date & Time: 15th July 2024

Venue: 4th Year ABCD Class rooms

Faculty In-charge: Asso. Prof. Madhuri Zite

Faculty Co-ordinator: 4th Year ABCD Class Teachers

Students' In-charge: Cr's 4th Year ABCD

Objective of this Event: To provide a fair and structured platform for candidates seeking internships or job opportunities in architecture to showcase their skills and professional profiles through the ArtnSkills SMART Architecture Test. The event aims to assist professionals and organizations in efficiently shortlisting and identifying talented candidates based on their abilities, knowledge of construction processes, budget considerations, environmental awareness, and alignment with client needs, fostering a transparent and equitable hiring process.

Summary of the event: The Art n Skills SMART Architecture Test for internships and job opportunities was successfully conducted at BNCA on 15th July 2024, through the Placement and Internship Cells in collaboration with the Art n Skills platform. The event, held in the 4th-year classrooms, aimed to provide students with a clear understanding of their current preparedness for architectural internships and job roles, emphasizing the essential skills and knowledge required in the industry.

Mr. Deepak Arora from Art n Skills, along with Prof. Madhuri Zite, addressed the students, highlighting the significance of being ready for career opportunities. They explained how the test serves as a benchmark for assessing individual competencies in functional skills, construction knowledge, budget management, and awareness of environmental and client needs.

The test, lasting approximately 30 minutes, was conducted across the 4th-year ABCD classes, with the active involvement of class teachers who ensured smooth organization and participation.

This initiative provided students with an equal platform to showcase their skills while offering valuable insights into their strengths and areas for improvement. The event reinforced the importance of continuous learning and preparation, aligning with industry expectations for architectural professionals.

SMART ARCHITECTURE TESTS FOR INTERNSHIP AND JOB

 4th Year, respective classrooms

 15th July 2024 9:45am - 10:30am

This test is to help candidates for internships and job showcase their profile and skills through ArtnSkills Smart and to professionals desiring to hire by shortlisting and naming down interested applications.

Right person for the Right Task

Collaboration details (if any): "Artnskills is a digital platform primarily for architecture students to showcase their academic work. As such this shall form a comprehensive and focused tool for students, professionals, institutes and public in general to publish and explore architectural designs, network and interact forming a global architecture community. Students can create their own profiles, present their portfolios and share on social media, giving them equal platform, early recognition and confidence. Features like Artnskills World for curated videos on architecture; Artnskills Talk will showcase enlightening discussions on various aspects of architecture, internship & career opportunities and relevant talent search for professionals, competitions and events, connecting all institutes with dedicated space for greater visibility and information sharing, world architecture news updates on this unique platform."

Event Supported: Dr. Anurag Kashyap, Principal BNCA, Pune, Dr. Sharvey Dhongade, Vice-Principal BNCA

BNCA | Events and Activity Reports

Event / Activity title: "FINDING THE PATH – Addressing Challenges Towards Becoming a Professional"

Date & Time: Friday – 2nd August 2024

Venue: Square Courtyard , BNCA

Faculty In-charge: Asso. Prof. Madhuri Zite

Faculty Co-ordinator: Assi. Prof. Yash Joshi

Students' In-charge: Student Council's Representative Khushi Mantri

NAAC Criteria (if any):

Guest Speakers: - Ar. Priya Gokhale , Ar. Yamini Deshmukh, Ar. Vaishali Chaudhari , Ar. Anjali Lavhekar and Ar. Prajakta Introutwar

Chief Guest (if any): - Ar. Sonali Thosar, President, Maharashtra Council

Objective of this Event: Objective of the event was to boost and build women's entrepreneurship and businesses, the objective also included collaborations, networking, mutual trust, and friendship, all of which happened naturally through meet-ups, workshops, learning sessions, and enriching programs where women entrepreneurs came together on a single platform.

Summary of the event (150-200 words):

On August 2nd, BNCA's Training and Placement Cell, in collaboration with WICCI (Women's Indian Chamber of Commerce & Industry), hosted an interactive session aimed at empowering women architects. BNCA, under the vision of Dr. Kashyap, is dedicated to producing professionals who balance career and life goals. This event was especially designed to help final-year students shape their careers and foster women's entrepreneurship. WICCI's focus on supporting women in architecture aligns with BNCA's commitment to empowering women in a male-dominated field.

The two-hour session featured counsellors and successful women architects, including Ar. Sonali Thosar, Ar. Priya Gokhale, and Ar. Yamini Deshmukh, who shared insights on achieving work-life balance, career planning, and personal mindfulness. Dr. Kashyap emphasized encouraging entrepreneurship rather than just creating job seekers. Ar. Thosar highlighted the importance of confidence and creativity in a growing female workforce, while Ar. Lovekar and Ar. Deshmukh shared motivational advice on pursuing work with passion.

The event fostered networking, trust, and friendships through meaningful discussions, with Student Council Representative Khushi Mantri welcoming attendees and concluding with a vote of thanks. This session strengthened BNCA's role in preparing women architects for successful careers.

Dear Priya Ma'am

We would like to extend our heartfelt gratitude for your participation in the interactive session titled "Finding the Path – Addressing Challenges Towards Becoming a Professional," held on 2nd August at BNCA.

Your invaluable contribution as a panelist provided our students, young architects, and alumni with profound insights and practical guidance on navigating their professional journeys. The engaging discussions and the inspiring stories shared have undoubtedly left a lasting impact on all attendees.

A special thank you to our esteemed panelists, including the professional counselor and the young women architects, whose experiences and advice were both enlightening and motivating. Your willingness to share your expertise and engage with our participants truly enhanced the quality of the session.

We also appreciate the support from WICCI for their collaboration in this event. Their commitment to advancing women's entrepreneurship and fostering professional networks is commendable and aligns perfectly with our mission at BNCA.

Thank you once again for being a part of this important initiative. Your presence and input were greatly valued, and we look forward to future opportunities to collaborate.

Here are the attached News paper coverage from BNCA side in the social Media and Print Media

Warm regards,

Subject: Invitation for the Session by WICCI under Placement and Internship cell

Dear Priya Ma'am

As discussed , On behalf of BNCA - Training & Placement Cell , we invite you to conduct the Interactive session on "**FINDING THE PATH & Addressing the Challenges towards becoming a Professional**" in with collaboration with WICCI, Pune.

As finalized The event will be happening on 2nd August at 1.30 pm in the Square Courtyard, Our B.Arch. & Master's students will be participating in this Interactive session.

As discussed, we will follow the sequence of the session as follows:

1. 1.00 pm wicci team reaches BNCA, meet faculty there.
2. 1.30. Ar. Priya Gokhale welcomes all, 30 sec.
3. Ar. Priya Gokhale requests Kashyap Sir to address the gathering-
4. Dr. Anurag Kashyap Sir speaks.- 10 minutes.
5. WICCI thanks him with a citation.
6. Ar. Priya Gokhale introduces Ar. Sonali Thosar, President Mah Council WICCI and requests her to address the gathering.
6. Ar. Sonali Thosar speaks.- 5 minutes.
7. Ar. Priya Gokhale introduces Sujata Rajarshi, counsellor, and requests her to address the gathering.
8. Sujata Rajarshi speaks.- 15 minutes.
9. WICCI & BNCA thanks her with flowers and a small gift.
(followed by Small interaction and questions if any.)
10. Ar. Priya Gokhale requests Ar. Vaishali Chaudhari to address the gathering.
11. Ar. Vaishali Chaudhari speaks – 15 minutes.
(followed by Small interaction and questions if any.)
12. WICCI & BNCA thanks her with 🌸 and a small 🎁 .
13. Based on this so far, students can ask questions or we initiate a discussion.
14. 2.50 pm closing statements.
15. 3.00 The End.

All the necessary arrangements will be ready on the day of the event. Along with me Prof. Yash Joshi Sir will be coordinating this event.

Regards
Prof. Madhuri Zite

Faculty Co-ordinator:

Students' In-charge:

NAAC Criteria (if any):

Guest Speakers: -

Chief Guest (if any): -

Objective of this Event: Bridge the gap between academic education and the practical demands of the architecture and construction industry. It aimed to provide students with career insights, interview preparation, and direct job opportunities with leading companies

Summary of the event (150-200 words):

The 'Employers' Day' event on October 12, 2023, aimed to connect students with industry leaders in architecture and construction. Organized under the British Council's 'Going Global Partnership Programme' in collaboration with John Moores University, Liverpool, and BNCA, Pune, it provided career guidance, interview opportunities, and networking with top firms

Following the event, students had the chance to interview with ten prominent companies in the architecture and construction industries. The day also included the signing of MoUs between BNCA and these companies, ensuring future training and employment opportunities for students. The participating companies offered a wide range of services, including architectural consultancy, interior and landscape design, real estate development, acoustics and heat insulation consultancy, contracting, and lighting design, among others.

Chief Guest (if any):

Objective of this Event:

- To disseminate knowledge about current trends in architecture and construction while highlighting career opportunities in the built environment.
- To facilitate a comprehensive understanding of career opportunities and skill sets required for seeking those opportunities
- To guide and inspiring the next generation of architects and construction professionals by showcasing good construction practices in the built environment

Summary of the event:

The career guidance program organized by the BNCA (Bharati Vidyapeeth's College of Architecture) under the British Council's Going Global Partnerships program, in collaboration with Liverpool John Moores University, UK; Pune Construction and Engineering Research Foundation, and Rohan Builders Pvt. Ltd., Pune, aimed to disseminate knowledge about current trends in architecture and construction, as well as highlight career opportunities in the built environment. The event took place at BNCA on 25th September 2023, from 2.30 pm to 5.30 pm, targeting students, fresh graduates of architecture and civil engineering, and early career professionals.

Speakers: Eminent speakers included Dr. Andrew Ross, Emirates Professor at Liverpool John Moores University, UK; Ar. Rajesh Choudhary, a leading developer and Vice-President of

CREDAI, Pune; and Ar. Vinayak Thorat, Head of the West region at Venkataramana Associates, a prominent architectural firm in India. Dr. Anupa Manewa and Dr. Mohan Siriwardena from Liverpool John Moores University, UK, also graced the event online.

Program Highlights: Dr. Vaishali Anagal presented the research project's highlights and the curriculum of the PG Diploma in Built Environment. Emeritus Professor Andrew Ross spoke online, focusing on managing collaboration for impact. He discussed construction education, co-designed research projects, and the success of construction apprenticeships. Architect Rajesh Choudhary shared his journey from architectural consultancy to real estate development, highlighting challenges and competencies required in the real estate business. Architect Vinayak Thorat presented various projects covering different asset classes and emerging typologies of buildings, discussing architectural design challenges and technical aspects of construction.

Collaboration details (if any): An Academia-industry consortium formed among Liverpool John Moores University, UK; MKSS's Dr. B. N. College of Architecture, Pune, Pune Construction Engineering Research Foundation, and Rohan Developers Pvt. Ltd.
