CERTIFICATION

Completed certified course in
server-side java, XML from
Concourse Information Technology
Pvt. LTD

PAPERS

- ❖ **Paper published in Springer Journals in 2019** on Estimation of Design Shear strength of Concrete Using Genetic Programming
- ❖ **Presented paper in 5th International conference on Recent Advancement in Engineering and Technology –**
Title: Application of Genetic Programming for Predicting Bond Strength of Concrete.
- ❖ **Patent on:** An application of Genetic Programming for predicting shear strength of concrete.

EDUCATION

M.Tech (Urban Planning) From VNIT Nagpur.

B.E. (Civil) From Govt college of Engineering Amravati

EXPERIENCE

June 2019 - Till Date:

Dr Banuben Nanawati College of Architecture as Assistant Professor

Subject: Theory of structure and Site survey and Analysis

August 2016-April 2019:

Vishwakarma Institute of Information Technology

Subject: ATP, BDD, Applied Mechanics, Project Planning and Management and Surveying.

January 2011 – April 2015

Cummins College of Engineering

Subject: Applied Mechanics and Elements of Civil Engineering.

August 2008 to October 2009

Maharashtra Institute of Technology

Subject: Elements of civil Engineering.

September 2004 to April 2007

Priyadarshani College of Engineering

Subject: Applied Mechanics

September 2003-April 2004

Ramdeobaba Kamala Nehru college of Engineering, Nagpur

Subject: Computer Application in Civil Engineering and Applied Mechanics.

January 2001 to April 2003

Army Institute of Technology

Subject: Applied Mechanics and Elements of Civil Engineering

September 2000 to December 2000

Sinhagad College of Engineering

Subject: Elements of Civil Engineering and Applied Mechanics
